Sent to 13014675585 at: 2015-04-15 17:39:50 Ray, I received the email below. It's an unfortunate circumstance. As a courtesy, I would appreciate your checking with me first before referring non-Georgetown folks to me. There is only so much I can do, and it takes a toll having to say no to the requests I receive. Some I can do, some I cannot. GU folks get priority. If it is a Georgetown related wedding, please refer to Greg Schenden or Ennio. Thanks. Kevin

Then we can either keep whats left in the account or put it back. And I will talk to Jen tonight about moving forward on the budget/ spreadsheet/invoices etc.

Received from 13233696812 at: 2015-04-17 00:41:03 Hello lovely, it's Justine. I flew to DC this morning & just finished an engagement session but haven't had a chance to check email yet. Will tomorrow lunch-ish still work for you? If it's too hard we don't have to meet in person, I just thought it would be nice if possible. If work etc is too crazy just let me know. Or if you're up for it still let me know what time works for you. Thank you!! :) Justine
Sent to 13233696812 at: 2015-04-17 00:41:53 I think I can spare an hour! Is that enough time?
Sent to 13233696812 at: 2015-04-17 00:42:25 Yeah we can make it work!
Received from 13233696812 at: 2015-04-17 00:42:44 How do we do this logistically? Drive around?
Received from 13233696812 at: 2015-04-17 00:42:56 Uber?
Sent to 13233696812 at: 2015-04-17 00:43:50 We don't have to go everywhere we

might go on the wedding day but we can at least talk through where to shoot family vs bridal party etc
Received from 13233696812 at: 2015-04-17 00:44:06 Oh so that stuff is easier
Sent to 13233696812 at: 2015-04-17 00:44:19 I think what we are most curious about is where to do the day after shoot
Received from 13233696812 at: 2015-04-17 00:45:14 Oh ok. Well let me think on that a bit. Do you feel you want more nature-y?
Sent to 13233696812 at: 2015-04-17 00:45:29 Do you want monuments etc?
Received from 13233696812 at: 2015-04-17 00:45:33 Maybe?? I honestly have no idea!
Received from 13233696812 at: 2015-04-17 00:45:43 I think monuments are lower on my list
Sent to 13233696812 at: 2015-04-17 00:46:10 Like maybe, if we are inside... But I don't need a postcard type shot
Sent to 13233696812 at: 2015-04-17 00:46:22 I just want super beautiful photos haha
Received from 13233696812 at: 2015-04-17 00:46:28 No, no postcards!!!
Received from 13233696812 at: 2015-04-17 00:47:14 Usually the buildings in the background would just give the feeling of where you are, not like stand in front of this building or that building etc. :)
Sent to 13233696812 at: 2015-04-17 00:47:29 Right right
Sent to 13233696812 at: 2015-04-17 00:47:49 I think I like the idea of just vogue photo shoot style shots.
Sent to 13233696812 at: 2015-04-17 00:48:06 Like dramatic

Sent to 13233696812 at: 2015-04-17 00:49:09 I wonder if Amaryllis has like a warehouse full of cool furniture & stuff.
Sent to 13233696812 at: 2015-04-17 00:51:32 Vogue-ish is going to be something we do more indoors and or outdoors in one spot & not really on the move...it will be more lighting & art direction etc. Maybe we could even have a little mini vignette of your wedding set up somewhere...a sweetheart table for 2 with champagne & your pup & a loveseat. But just the two of you all alone.
Received from 13233696812 at: 2015-04-17 00:51:54 Hmm

Sent to 13233696812 at: 2015-04-17 00:53:06 Bc we aren't really doing the rustic thing
Sent to 13233696812 at: 2015-04-17 00:53:13 But I like natural light
Received from 13233696812 at: 2015-04-17 00:53:40 I think a combo of indoor outdoor might be best? Agh I'm the worst I know

Sent to 13233696812 at: 2015-04-17 00:53:51 Right it could be modern but outside.
Sent to 13233696812 at: 2015-04-17 00:53:52 Or somewhere with big windows...I'll think about it a bit.

Sent to 19178211113 at: 2015-04-17 16:58:05 Bc Tylenol isn't good for alcohol related pains. It's bad for your liver.

Received from 13014675585 at: 2015-04-20 20:51:56 I didn't know his wife was over a year dead!!!
Sent to 13014675585 at: 2015-04-20 20:52:12 And I had met his wife so like I didn't think anything of it
Received from 13014675585 at: 2015-04-20 20:52:14 Yeah, I definitely don't search records for death certificates
Sent to 13014675585 at: 2015-04-20 20:52:21 Yea why WOULD we
Sent to 13014675585 at: 2015-04-20 20:52:27 My dad is so sloppy it's annoying
Sent to 13014675585 at: 2015-04-20 20:52:41 And yet expects everyone else to be on point and like flips if we aren't.
Sent to 13014675585 at: 2015-04-20 20:53:09 Well anyways my mom handled it I guess. Still so humiliating.
Sent to 13014675585 at: 2015-04-20 20:53:40 Btw - keep in mind my dad was supposed to proof read the final excel. And SAID he did. Sooooo
Received from 13014675585 at: 2015-04-20 20:53:48 Nothing more to do than apologize
Sent to 13014675585 at: 2015-04-20 20:54:08 My dad is so uninvolved in this wedding it's obvious
Sent to 13014675585 at: 2015-04-20 20:54:41 Btw - my friend Mickey had her first bridal appointment at nordstrom in Tysons yesterday.
Sent to 13014675585 at: 2015-04-20 20:55:25 You would have been so proud. The sales chick there sucked. And I ended up zooming around and channeling you. Everyone commented on what an amazing help I was and how I completely "made" the bridal appointment
Sent to 13014675585 at: 2015-04-20 20:55:58 Everyone was asking how I knew what to ask and what to do. And i gave you full credit.
Sent to 13014675585 at: 2015-04-20 20:56:27 Hahahhahah love it
Received from 13014675585 at: 2015-04-20 20:57:51 Yup. I think we found the dress.
Sent to 13014675585 at: 2015-04-20 20:58:11 The veil is still outstanding. I

think I might push carine on her for that
Sent to 13014675585 at: 2015-04-20 20:58:46 Bc the veil she liked did not have a blusher and I don't trust nordstrom to handle the customized order. They said their seamstress would just add a blusher and I was like uh no
Sent to 13014675585 at: 2015-04-20 20:58:55 It's a reem acra veil.
Sent to 13014675585 at: 2015-04-20 20:59:48 Oh and I found my after party dress. So that is done. Thank god.

Sent to 13014675585 at: 2015-04-20 21:03:52 It's got white sparkles all over it
Received from 13014675585 at: 2015-04-20 21:03:55 So it's very formal feeling
Sent to 13014675585 at: 2015-04-20 21:03:58 But fun
Received from 13014675585 at: 2015-04-20 21:04:12 And it is definitely sexy due to back and slit and the mesh "cutout" area
Sent to 13014675585 at: 2015-04-20 21:04:17 But still classy
Received from 13014675585 at: 2015-04-20 21:04:36 Oh good

Sent to 13014675585 at: 2015-04-21 02:25:13 Ok, for dress pics. Should I just text you
Sent to 13014675585 at: 2015-04-21 02:25:21 Except dress. Which I will try to turn to as soon as I can
Sent to 13014675585 at: 2015-04-21 02:25:21 That the best?
Sent to 13014675585 at: 2015-04-21 02:25:56 Yea text is probably easiest. Or like email me and shoot me a text to look for email (since I will be ignoring my personal email and likely overwhelmed by it)
Sent to 13014675585 at: 2015-04-21 02:26:07 Also I have a non priest for your ceremony should the marriage certificate date not work out
Sent to 13014675585 at: 2015-04-21 02:26:33 But George and I are talking tmrw, he told me not to be overwhelmed
Received from 13014675585 at: 2015-04-21 02:26:38 Okay. Did you ever talk to father George? And also did you ask father Mudd/Ogden about that certificate component?
Sent to 13014675585 at: 2015-04-21 02:26:58 I don't have a great feeling about George. He is SUPER nice but just really strict.
Received from 13014675585 at: 2015-04-21 02:27:01 I think
Sent to 13014675585 at: 2015-04-21 02:27:17 We played phone tag and then set a time tmrw. He wants a lot of paperwork
Received from 13014675585 at: 2015-04-21 02:27:35 Mudd has not gotten back to me over the weekend
Received from 13014675585 at: 2015-04-21 02:27:41 Also my dad's cousin's husband is a minister who is already invited and attending. So there is that
Sent to 13014675585 at: 2015-04-21 02:27:42 Will try again tmrw
Sent to 13014675585 at: 2015-04-21 02:27:44 WTF
Sent to 13014675585 at: 2015-04-21 02:27:47 I hate him.
Received from 13014675585 at: 2015-04-21 02:28:14 I plan to inform him that HE is the reason we will not be staying within our faith should it not work out
Received from 14018641983 at: 2015-04-21 04:17:22 Can they do something ab the fact that you can see like the dimple from my belly button? Other than lose 50 lbs
Sent to 14018641983 at: 2015-04-21 04:17:24 Cause I hade Spanx on and you can still see it...so maybe I should think ab another shape if I don't like that??
Received from 14018641983 at: 2015-04-21 04:45:16 Yes there are things to do
Sent to 14018641983 at: 2015-04-21 04:45:42 Add extra lining for one
Sent to 14018641983 at: 2015-04-21 04:46:32 But honestly it's the material more than the shape.
Sent to 14018641983 at: 2015-04-21 04:47:01 And you don't need to lose 50 lbs.
Received from 17038995561 at: 2015-04-21 11:10:53 Good luck today! You'll be great
Received from 17038995561 at: 2015-04-21 13:11:24 Today is prep. Tomorrow and Thursday are the real deal

Sent to 19142603729 at: Data Missing Okay awesome
Sent to 19142603729 at: 2015-04-21 14:27:51 The more I think about it, the more upset I am with yor mom.
Received from 19142603729 at: 2015-04-21 14:27:57 I'm sorry but she just really hurt me
Received from 19142603729 at: 2015-04-21 14:28:32 You dont have to be sorry at

all. She wasnt thinking at all and you're right.
Data Missing 19142603729 at: 2015-04-21 14:28:36 Her email doesn't even make sense.
Data Missing 19142603729 at: 2015-04-21 14:28:43 I know it doesnt.
Received from 19142603729 at: 2015-04-21 14:28:51 She said she will get ready in her suite but then be with us while we get ready???
Sent to 19142603729 at: 2015-04-21 14:28:58 Uh....
Sent to 19142603729 at: 2015-04-21 14:29:50 This is what I told me worries me about her. Like how cant see how ridiculous that is. Especially when I specifically said not to bother you with this. I told her that like 5 times before I left.
Received from 19142603729 at: 2015-04-21 14:31:04 Im very angry as well and all I can say now is that I am very very sorry.
Sent to 19142603729 at: 2015-04-21 14:32:01 I feel awful and embarrassed. (Not taking anything away from what you are feeling. Just wanted you to know)
Received from 19142603729 at: 2015-04-21 14:32:14 Yea not to mention - I hope you don't have to travel this week?? I have said to her personally I 100% have to travel this week
Sent to 19142603729 at: 2015-04-21 14:32:46 As did I. No idea why she thought that would have changed.
Sent to 19142603729 at: 2015-04-21 14:32:48 I just feel like that was all very insensitive. And I know she isn't malicious but it was recklessly insensitive of me
Received from 19142603729 at: 2015-04-21 14:33:22 I think you mean insensitive of her but yes. Completely agree.
Received from 19142603729 at: 2015-04-21 14:33:37 Insensitive towards me
Received from 19142603729 at: 2015-04-21 14:34:02 Yes. Absolutely right.
Sent to 19142603729 at: 2015-04-21 14:34:11 Like clearly she wants me to invite Nancy into the suite
Received from 19142603729 at: 2015-04-21 14:34:34 But I can't do that! Bc then why am I not inviting MY aunts and starr etc etc
Sent to 19142603729 at: 2015-04-21 14:34:59 It feels like she doesn't understand clearly WHOSE special day this is...
Received from 19142603729 at: 2015-04-21 14:35:08 I dont know if that is what she meant but it couldnt definitely be perceived that way.
Sent to 19142603729 at: 2015-04-21 14:35:26 Her telling me that it is also Nancy's special day???
Received from 19142603729 at: 2015-04-21 14:35:28 WTF
Sent to 19142603729 at: 2015-04-21 14:37:48 Sorry. I'm just really upset about so many parts of that email
Sent to 19142603729 at: 2015-04-21 14:37:56 And I don't even know how to begin to deal with it
Sent to 19142603729 at: 2015-04-21 14:37:57 I think she meant it is a special day in general so Nancy wants to look pretty. But thats only cause I understand insanity with my mom so I completely understand how rude that comes off.
Received from 19142603729 at: 2015-04-21 14:38:14 It is MY special day!!!
Sent to 19142603729 at: 2015-04-21 14:38:20 Just dont deal with it. I will handle and be very upfront.
Sent to 19142603729 at: 2015-04-21 14:38:31 It like she doesn't understand that at all
Sent to 19142603729 at: 2015-04-21 14:38:47 And you know what - fine be with Nancy. That's clearly what's important to you.
Sent to 19142603729 at: 2015-04-21 14:39:39 Nowhere in there did she think about my feelings. It's so obvious.
Received from 19142603729 at: 2015-04-21 14:39:49 She didn't ask me how I felt about her proposal or anything.
Sent to 19142603729 at: 2015-04-21 14:40:07 Just dont respond at all and when you're ready to talk, if at all, I'll tell you how I will handle.

Received from 19142603729 at: 2015-04-21 14:40:20 I'm not responding. I know better
Sent to 19142603729 at: 2015-04-21 14:40:23 I know. It was incredibly rude
Sent to 19142603729 at: 2015-04-21 14:41:05 But if she is taken off the getting ready list then she isn't getting ready with us
Sent to 19142603729 at: 2015-04-21 14:41:16 It's not a revolving door.
Sent to 19142603729 at: 2015-04-21 14:41:40 And I will be so insulted at that point too that her just waltzing in will make me upset on my wedding day
Received from 19142603729 at: 2015-04-21 14:41:46 I get it. I will talk with her and try and figure out what the fuck she was talking about.
Sent to 19142603729 at: 2015-04-21 14:42:02 I completely understand that.
Received from 19142603729 at: 2015-04-21 14:42:09 I'm just saying there are two options - with us and bridal party or with Nancy.
Sent to 19142603729 at: 2015-04-21 14:42:14 She can't have both.
Sent to 19142603729 at: 2015-04-21 14:42:31 And that is what I was planning on saying.
Sent to 19142603729 at: 2015-04-21 14:42:47 And I can't be figuring out every guest's hair and make up.
Received from 19142603729 at: 2015-04-21 14:43:02 So they are on their own for finding someone.
Received from 19142603729 at: 2015-04-21 14:43:03 Again, this is not Nancy. Im sure she had no idea my mom even wrote that email.
Sent to 19142603729 at: 2015-04-21 14:43:16 I'm only upset w your mom
Sent to 19142603729 at: 2015-04-21 14:43:26 I don't loop Nancy into this at all
Received from 19142603729 at: 2015-04-21 14:43:45 No no- you are not doing that. Nancy will be fine. Im more just gonna tell my mom the bottom line two options.
Sent to 19142603729 at: 2015-04-21 14:43:57 Yup.
Sent to 19142603729 at: 2015-04-21 14:44:08 She can't be just coming in later
Received from 19142603729 at: 2015-04-21 14:44:20 And if that hurts her feelings - tough shit. This is my wedding.
Sent to 19142603729 at: 2015-04-21 14:44:22 I understand that.
Sent to 19142603729 at: 2015-04-21 14:44:27 Agreed.
Received from 19142603729 at: 2015-04-21 14:44:32 Not her wedding.

Sent to 19142603729 at: 2015-04-21 14:49:20 Of course. I am so sorry she is a lunatic. My day will suck but i'll get through it. I love you and I miss you so much I wanna cry i bed with Chloe 😭

They are sending me parts that should be here next week. They promised me that these will fix them, but we shall see. In case it did not fix it, I confirmed that they could get me the whole pit assembly so regardless it shouldn't be an issue.

Sent to 15717232283 at: 2015-04-25 04:27:20 Hey! Sorry to text you late! I need to make dinner rezzies tomorrow for a small group of work ppl. Lauren said u would know where to go in DC that's upscale, not too fancy though and not too expensive. Anywhere is fine, but towards Adams Mo area is better... Maybe around Connecticut ave? Lincoln comes to mind... Any ideas? Happy shower day BTW!!
Sent to 15717232283 at: 2015-04-25 04:48:23 Hey no problem! Happy to help out
Sent to 15717232283 at: 2015-04-25 04:48:56 So when you say ad mo, like DuPont area fair game too?
Sent to 15717232283 at: 2015-04-25 04:49:58 I guess let me ask this, is there a reason the neighborhood matters? Is it Bc people live in a certain area?
Received from 15717232283 at: 2015-04-25 05:09:49 Bc I would rec a few places. Bistro du coin which is on Connecticut, it's a cozy cool bistro. Not expensive, but great food. Boqueria is also really cool. It's a newer modern tapas spot. So it's a bit trendy but still totally reasonable. And then also there is the Pig over by Logan circle. That's a new American spot that does farm to table / nose to tail cuisine. Very reasonable and cozy modern vibe.

Received from 13014675585 at: 2015-04-29 13:39:26 And the front "ruffle" is not a ruffle but one a single sheet
Sent to 13014675585 at: 2015-04-29 13:40:30 How are they still messing this up. It's infuriating. This is THEIR design.
Sent to 13014675585 at: 2015-04-29 13:45:10 It's like they are trying to make it custom and different. It's making my blood boil.
Sent to 13014675585 at: 2015-04-29 13:49:02 Why aren't THEIR people seeing this? Why am I the one raising this???
Sent to 13014675585 at: 2015-04-29 13:49:10 It's so unprofessional
Sent to 13014675585 at: 2015-04-29 14:08:56 I think the whole skirt could be wrong. I'm having a panic attack.
Sent to 13014675585 at: 2015-04-29 14:09:05 Like the train
Sent to 13014675585 at: 2015-04-29 14:09:24 Bc if they messed it up in the front that carries over to the design in the back
Sent to 13014675585 at: 2015-04-29 14:21:48 The entire train is wrong. I've been staring at it.
Sent to 13014675585 at: 2015-04-29 14:24:20 I'm in HYSTERICS. I'm not going to have a dress because they are fucking retarded and can't make a dress of their own fucking design. I can't handle this. It's May on Friday and we are still far as fuck away from right. And they clearly don't have a working brain cell in that entire factory so how the HELL am I supposed to trust anything they promise
Sent to 13014675585 at: 2015-04-29 14:26:33 They are just completely fucking up and it looks like they are trying to compensate by putting floral embroidery all over it in an effort to hide all the horrible mistakes they don't care to address.
Sent to 13014675585 at: 2015-04-29 14:26:50 Jen I am completely losing my mind.
Sent to 13014675585 at: 2015-04-29 14:27:43 Carine is calling you

Sent to 13014675585 at: 2015-04-29 14:28:23 I will not be talked into this fucked up excuse of a dress
Sent to 13014675585 at: 2015-04-29 14:28:37 And if she tries to do that I'm going to lose it
Sent to 13014675585 at: 2015-04-29 14:29:30 The dress is beautiful. Her and I do not see what you are talking about. It is different by of proportion. I cannot explain the particulars of dress making. I don't feel comfortable talking about something I do not do

Received from 13014675585 at: 2015-04-29 14:29:45 This is very simple
Sent to 13014675585 at: 2015-04-29 14:29:50 This dress as is
Sent to 13014675585 at: 2015-04-29 14:29:53 Has TWO LAYERS
Sent to 13014675585 at: 2015-04-29 14:30:00 like the messed up version to start with
Received from 13014675585 at: 2015-04-29 14:30:10
Sent to 13014675585 at: 2015-04-29 14:30:22 That top layer of tulle does not CONNECT to the bottom layer of tulle
Sent to 13014675585 at: 2015-04-29 14:30:25 It's two layers.
Sent to 13014675585 at: 2015-04-29 14:30:39 That's wrong in every way of the design
Sent to 13014675585 at: 2015-04-29 14:31:07 It's supposed to be ONE CONNECTED skirt

Sent to 13014675585 at: 2015-04-29 14:31:54 And that is also why the ruffle at the edge is wrong. Bc it would normally attached and loop back and be sewn to the same piece of fabric to create this loop
Sent to 13014675585 at: 2015-04-29 14:32:31 But here that is impossible because it is two layers. One layer of tulle on top of another. Instead seen together and thereby creating a seam as the original dress clearly has.
Sent to 13014675585 at: 2015-04-29 14:32:42 *sewn together
Sent to 13014675585 at: 2015-04-29 14:33:06 This skirt is not supposed to be layered raw tulle

Sent to 13014675585 at: 2015-04-29 14:34:19 No

Sent to 13014675585 at: 2015-04-29 14:34:56
Sent to 13014675585 at: 2015-04-29 14:35:07 See how the tulle is TWO layers. Not seen together
Sent to 13014675585 at: 2015-04-29 14:35:14 *sewn
Received from 13014675585 at: 2015-04-29 14:35:23 It's like the Spanish dancer dress
Received from 13014675585 at: 2015-04-29 14:35:28 It's layers

Sent to 13014675585 at: 2015-04-29 14:36:08 This is how it is supposed to look
Sent to 13014675585 at: 2015-04-29 14:36:47 They copied the WRONG DESIGN of the first Frankenstein dress. They did not keep to 14-02 skirts design
Sent to 13014675585 at: 2015-04-29 14:38:38 You can see that the result of them creating the wrong skirt that there is NO ruffle. It is just another layer.
Sent to 13014675585 at: 2015-04-29 14:38:44 Of tulle
Sent to 13014675585 at: 2015-04-29 14:39:47 The tulle in this current dress ends in a raw seam. That's incorrect in like 4 different ways.
Sent to 13014675585 at: 2015-04-29 14:40:52 I'm completely losing it. All I want is 14-02. And this is NOT IT. And I don't understand why I am the only person who sees that
Sent to 13014675585 at: 2015-04-29 14:41:21 I don't care that the ruffle isn't as long. It isn't even IN EXISTENCE. There is zero ruffle currently.

Received from 13014675585 at: 2015-04-29 14:45:47
Received from 13014675585 at: 2015-04-29 14:45:55 Don't you see how that's not TWO layers of tulle?

Sent to 13014675585 at: 2015-04-29 14:47:05 The edge of real 14-02, there is no

edge of tulle. It is looped. Like a U
Sent to 13014675585 at: 2015-04-29 14:47:13 Here it is a raw edge
Sent to 13014675585 at: 2015-04-29 14:47:27 She believes a salon in LA has. She is going to ask for it to be sent so you can see that it is not looped.

Sent to 13014675585 at: 2015-04-29 14:48:36 It was always one skirt. How do you not remember that?
Received from 13014675585 at: 2015-04-29 14:48:57 It was never layered. It was never TWO layers like it is now
Received from 13014675585 at: 2015-04-29 14:50:06 Don't you see how RAW the edges are?? How it is layered and not connected? How there is no seam??
Sent to 13014675585 at: 2015-04-29 14:50:59 It can't puff out because of this. It's too heavy and not ONE skirt. It's two layers.

Data Missing 17038995561 at: 2015-04-29 16:17:54 They say it's a little different Bc of my height changing the length
Data Missing 17038995561 at: 2015-04-29 16:18:03 But it's entirely different to me
Received from 17038995561 at: 2015-04-29 16:19:23 I agree with you, the second one looks stiffer too!
Received from 17038995561 at: 2015-04-29 16:19:42 It has two layers in the front. That's wrong
Sent to 17038995561 at: 2015-04-29 16:20:06 That's the stiffness. It's not flowing Bc it's not one skirt. It's two tiers
Sent to 17038995561 at: 2015-04-29 16:22:53 How do they not see that!?
Sent to 17038995561 at: 2015-04-29 16:23:25 I don't know. They are saying the first one was two tiers. I'm going crazy
Sent to 17038995561 at: 2015-04-29 16:23:34 I'm not going to have a dress
Received from 19178211113 at: 2015-04-29 16:26:56 K we both will
Sent to 19178211113 at: 2015-04-29 16:28:47 Thank you. It's due on Friday so needs to be mailed today to arrive in time

Sent to 17038995561 at: 2015-04-29 16:29:54 Maybe the first one softened with wear?
Received from 17038995561 at: 2015-04-29 16:40:21 That doesn't make sense to me
Sent to 13014675585 at: 2015-04-29 18:24:52 We have confirmed with 2 salons that 14-02 is in fact not a loop hem (bubble hem is the correct term). We are awaiting images
Sent to 13014675585 at: 2015-04-29 18:25:25 did you confirm that the front is NOT two tiers?
Received from 13014675585 at: 2015-04-29 18:25:51 Carine can ask for more “fullness” and more ruching at the ruffle hem
Sent to 13014675585 at: 2015-04-29 18:26:04 can you explain your last text
Received from 13014675585 at: 2015-04-29 18:26:04 my issue is that it is two tiers
Sent to 13014675585 at: 2015-04-29 18:26:19 I am on phone with carine now, so want to be EXACT
Received from 13014675585 at: 2015-04-29 18:26:19 this is what i have been saying from the beginning
Sent to 13014675585 at: 2015-04-29 18:26:25 the problem is
Received from 13014675585 at: 2015-04-29 18:26:30 the front is currently TWO TIERS
Received from 13014675585 at: 2015-04-29 18:26:40 instead of ONE connected skirt
Sent to 13014675585 at: 2015-04-29 18:28:52 Can you have the 2 salons send pictures of the skirt of 14-02, specifically the front and side
Received from 13014675585 at: 2015-04-29 18:30:05 yes, CA store sent it to NY store. They are going through boxes now. they share this dress back and forth
Sent to 13014675585 at: 2015-04-29 18:30:13 from carine
Sent to 13014675585 at: 2015-04-29 18:30:13 I understand what you are thinking Andrea - referring that the dress is two tiers. It actually is not... Let me explain. The original dress if you lifted the gown up the lining is attached to the hem ruffle. The main too skirt falls on top of the lining. Which in your eyes may look like two tiers but it's the layer of Kurt on top that scoops to the back. Does that make sense
Sent to 13014675585 at: 2015-04-29 18:31:11 okay yes it is NOT two tiers, or not supposed to be, she agrees?
Sent to 13014675585 at: 2015-04-29 18:31:52 and i think there were some typos in that text, bc it was not entirely clear what she means
Sent to 13014675585 at: 2015-04-29 18:32:18 more from carine:Also Andrea your tulle is new and fresh and the one on the sample is worn down so it looks flatter.
Received from 13014675585 at: 2015-04-29 18:32:38 It is not two tiers.
Received from 13014675585 at: 2015-04-29 18:32:39 It's the over skirt that scoops to the back is is making you feel like it's two tiers
Received from 13014675585 at: 2015-04-29 18:33:02 so she is 100% positive that the front has one tier and no loose tulle laying over top
Sent to 13014675585 at: 2015-04-29 18:33:17 that all tulle is connected to the hem ruffle
Sent to 13014675585 at: 2015-04-29 18:33:50 bc from the picture i received it does not look that way
Received from 13014675585 at: 2015-04-29 18:38:14 In the original sample the tulle in the front lays OVER the ruffle it is not connected. Her is a close up of you in the originals sample in the front showing the tulle not connected
Received from 13014675585 at: 2015-04-29 18:38:56
Received from 13014675585 at: 2015-04-29 18:39:18 it looks different to my eyes
Sent to 13014675585 at: 2015-04-29 18:39:43 perhaps it is the lighting
Sent to 13014675585 at: 2015-04-29 18:40:09 but the this photo you just sent, clearly shows the seam, which i cannot see in the current dress
Sent to 13014675585 at: 2015-04-29 18:40:14 the current dress looks like two tiers

Received from 13014675585 at: 2015-04-29 18:42:21
Received from 13014675585 at: 2015-04-29 18:42:34 And here is the back in the sample that shows the tulle overlay from the front falling over the sides and the back of the dress. It cannot be attached for the style of the gown.
Sent to 13014675585 at: 2015-04-29 18:42:48 look at the right mirror reflection
Sent to 13014675585 at: 2015-04-29 18:44:12 okay i am accepting that, but then my issue would be that the way it was designed in the sample vs the current dress is that the sample's proportions made it look like it was seamless
Sent to 13014675585 at: 2015-04-29 18:44:19 and it currently looks like tiers
Sent to 13014675585 at: 2015-04-29 18:44:38 if it is too long an covering the seam (which it is supposed to be) I will be more than happy to trim it to skim the ruffle in store. Also I could sew it down in the front
Received from 13014675585 at: 2015-04-29 18:44:45 but not the back because of bustling
Received from 13014675585 at: 2015-04-29 18:44:51 I feel the current dress lacks fullness
Received from 13014675585 at: 2015-04-29 18:44:55 that the sample had
Sent to 13014675585 at: 2015-04-29 18:45:09
Sent to 13014675585 at: 2015-04-29 18:45:35 front, back or both
Received from 13014675585 at: 2015-04-29 18:45:51 both - and i will explain specifically
Received from 13014675585 at: 2015-04-29 18:46:14 i understand it is NOT a bubble hem, but the sample obviously made me thinks so, it doesn't look as raw in the edges
Sent to 13014675585 at: 2015-04-29 18:46:44 specifically at the edge in the front - so the ruffles and the area right beneath the butt
Sent to 13014675585 at: 2015-04-29 18:46:47 and also on the sides
Received from 13014675585 at: 2015-04-29 18:46:53 reads flatter than the sample
Received from 13014675585 at: 2015-04-29 18:47:02 i understand the sample was made for an amazonian woman
Sent to 13014675585 at: 2015-04-29 18:47:11 so there will obviously be some differences
Sent to 13014675585 at: 2015-04-29 18:47:30 but i fear the current dress has more of a raw tulle feel versus the flowy-ness that i loved
Sent to 13014675585 at: 2015-04-29 18:47:41 and fullness
Sent to 13014675585 at: 2015-04-29 18:51:06 if there is nothing to do be done, than i give up. i just can't handle this emotional burden anymore. i just don't even care
Sent to 13014675585 at: 2015-04-29 18:51:29 this feels impossible. i feel crazy.
Sent to 13014675585 at: 2015-04-29 18:54:44 Ok Carine said it is possible and she will ask for more fullness
Sent to 13014675585 at: 2015-04-29 19:30:51 I'm sorry. I know I'm insane
Sent to 13014675585 at: 2015-04-29 19:30:59 I appreciate your patience
Sent to 13014675585 at: 2015-04-29 19:31:12 I just figure we can't always add. But we can take away? I don't know
Sent to 13014675585 at: 2015-04-29 19:31:33 You are not insane. We will get it right
Sent to 13014675585 at: 2015-04-29 19:31:41 The bodice is good, right
Received from 13014675585 at: 2015-04-29 19:31:45 yes
Sent to 13014675585 at: 2015-04-29 19:32:03 Let's add the fullness and tweak here.
Sent to 13014675585 at: 2015-04-29 19:32:08 Best to get the dress to us
Sent to 13014675585 at: 2015-04-29 19:35:16 Ok we are approving bodice and requesting fullness
Received from 13014675585 at: 2015-04-29 19:42:37 do you agree about fullness?
Received from 13014675585 at: 2015-04-29 19:42:43 you don't have to
Sent to 13014675585 at: 2015-04-29 19:42:49 i want your honest opinion
Received from 13014675585 at: 2015-04-29 19:42:54 I think it can always be fuller

Received from 13014675585 at: 2015-04-29 19:46:20 truly?
Received from 13014675585 at: 2015-04-29 19:46:26 Yes!!!

Received from 13014675585 at: 2015-04-29 19:47:27 i see that it is not connected
Sent to 13014675585 at: 2015-04-29 19:47:42 but i also see that THAT skirt is MUCH fuller in the front bottom ruffle
Received from 13014675585 at: 2015-04-29 19:47:57 and frankly looks fuller thru the skirt too
Received from 13014675585 at: 2015-04-29 19:50:40 We will ask for this fullness. Just remember it will be a little less bc of modification in the butt
Received from 13014675585 at: 2015-04-29 19:50:57 i understand completely
Received from 13014675585 at: 2015-04-29 19:51:00 and also due to my height
Sent to 13014675585 at: 2015-04-29 19:51:09 but i want to aim high so to speak
Sent to 13014675585 at: 2015-04-29 19:51:30 I just sent this picture to inbal to tell her we want everything really full. Please tell Andrea - I am going to have them make this skirt so full when it arrives that a flower girl will get lost under it 👍
Sent to 13014675585 at: 2015-04-29 19:51:34 is this “fullness” ask a tall order? or do we think they can turn this around quickly and get it out the door
Received from 13014675585 at: 2015-04-29 19:52:02 tell carine i love her and I’m sorry i am the most annoying bride on the planet, i love her endlessly for her patience and assistance
Sent to 13014675585 at: 2015-04-29 19:52:51 i mean she has to agree that we can always take fullness away, but adding to it is the tricky part right?
Sent to 13014675585 at: 2015-04-29 19:53:02 i just feel this is the safest route
Sent to 13014675585 at: 2015-04-29 19:53:15 Very true

Sent to 13014675585 at: 2015-04-29 19:57:20 She's welcome... We will get this right and she will walk down the aisle with the fullest train... They should receive these emails late tonight our time and hopefully have the gown to us by next week. Tell her do not worry about alterations - this gown will be done before her wedding day... Not to worry about that. We have to get it 100% right before it arrives to us.

Sent to 13014675585 at: 2015-04-29 23:11:05 Hi Jen, On menus, we usually don’t use punctuation. The only reason why I used any periods at all was to delineate the two sentences in 1 paragraph. We have 2 options: 1. Change my original periods to commas 2. Make the changes as you asked Neither is a problem, just wanted to run it by you.
Sent to 13014675585 at: 2015-04-29 23:13:30 kraft napkin. I prefer white writing

Received from 13014675585 at: 2015-04-29 23:14:22 i would change to commas
Received from 13014675585 at: 2015-04-29 23:14:49 I feel like if they are some sentences, than it is weird to not have in other places
Received from 13014675585 at: 2015-04-29 23:16:46 wait, I dont like commas
Sent to 13014675585 at: 2015-04-29 23:17:02 So add periods then?
Sent to 13014675585 at: 2015-04-29 23:17:05 yes

Received from 13014675585 at: 2015-04-29 23:17:41 I just need my menu to be consistent in its punctuation. I abide by the bluebook.
Received from 13014675585 at: 2015-04-29 23:18:06 i still use my Little Brown Handbook
Sent to 13014675585 at: 2015-04-29 23:18:25 Biggest rule is just always be consistent.

Sent to 13014675585 at: 2015-04-29 23:20:18 I wouldn't have thought of it but I think it's def appropriate
Sent to 13014675585 at: 2015-04-29 23:20:37 a little more casual

Sent to 13014675585 at: 2015-04-29 23:23:22 Also I think we need to do a walk thru of the backyard to decide set up and whether we want plastic or real plates
Sent to 13014675585 at: 2015-04-29 23:29:27 i can do thurs after your hair
Received from 13014675585 at: 2015-04-29 23:37:54 I could do something like this to keep with the kraft theme
Sent to 13014675585 at: 2015-04-29 23:37:56
Sent to 13014675585 at: 2015-04-29 23:38:08 kraft matches the crackers too
Sent to 13014675585 at: 2015-04-29 23:38:16 would still do the stick, etc
Sent to 13014675585 at: 2015-04-29 23:45:00 Okay cool. And koozie? I don't know Kraft looks right on Lizzie

Received from 13014675585 at: 2015-04-30 00:07:41 for Koozie, I think grey, white or Navy
Sent to 13014675585 at: 2015-04-30 00:08:10 grey with white is neutral and “safe”
Sent to 13014675585 at: 2015-04-30 00:08:24 red, yellow, pink, orange green are out
Received from 13014675585 at: 2015-04-30 00:08:36 they do have a khaki color that is like the craft

Received from 13014675585 at: 2015-04-30 00:12:23 also, if we go the disposable route, I would do these types of utensils
Received from 13014675585 at: 2015-04-30 00:12:26
Received from 13014675585 at: 2015-04-30 00:13:01 feels more fun and cute...less, this is plastic silverware. This looks like it was the favored choice to do
Received from 13014675585 at: 2015-04-30 00:15:13
Received from 13014675585 at: 2015-04-30 00:15:38 if you do a color, you could pick an accent color to go with the kraft/white and them do koozie in that
Sent to 13014675585 at: 2015-04-30 00:18:54
Received from 13014675585 at: 2015-04-30 00:17:08 more I think about it, we need a fun color. Maybe a fun bright blue. Table cloths could be in that too. Very summery. Maybe even a stripe or chevron? Lighting the mood, make outdoors. What colors are your outdoor furniture?
Received from 13014675585 at: 2015-04-30 00:19:07

Received from 13014675585 at: 2015-04-30 00:20:22 I think we do a solid blue (like not baby blue) since we are doing blue in the Michigan cake
Sent to 13014675585 at: 2015-04-30 00:20:30 What do you think of ring???
Received from 13014675585 at: 2015-04-30 00:20:31 so pretty!!!

Sent to 13014675585 at: 2015-04-30 00:20:52 It would go all the way around but that's the general idea
Sent to 13014675585 at: 2015-04-30 00:20:58 so lets do kraft, white and Michigan Blue
Sent to 13014675585 at: 2015-04-30 00:21:06 chooses in Mich blue

Sent to 13014675585 at: 2015-04-30 00:22:45 yes, with white
Received from 13014675585 at: 2015-04-30 00:25:17 Chris says he thinks the lighter blue looks kind of trashy
Received from 13014675585 at: 2015-04-30 00:25:27 hahah, ok Navy

Received from 13014675585 at: 2015-04-30 00:26:05 And far left fork
Received from 13014675585 at: 2015-04-30 00:26:57 I mean we don't need that fork, I liked all of the forks you sent. So basically I leave it to you play with the different elements and decide what should have color and what should be neutral
Sent to 13014675585 at: 2015-04-30 00:27:34 But think a table cloth, napkin, plate or utensil should be blue too
Received from 13014675585 at: 2015-04-30 00:27:41 In chevron preferably.
Sent to 13014675585 at: 2015-04-30 00:27:51 But again I trust your judgement

Sent to 15165109490 at: 2015-04-30 23:09:21 I got offered to switch groups by the partner in charge of our derivatives practice. The case I have billed the bulk of hours to for the past year and a half is a derivatives case so I have knowledge in it
Data Missing 15165109490 at: 2015-04-30 23:10:23 And it's a way better group - no billable hours watching. Partner doesn't believe in weekend work. Only works between 9-7, m-f. Strong belief in work life balance and family comes first. Very low key.

And she kept putting it off and kept telling me she would get to it, and then when i went there last weekend she said she had them boxed up (which was infuriating bc it had been 2 months she could have pulled some from the album) but she promised as soon as she moved they would come out of the box and shed overnight them to me.
Received from 19178211113 at: 2015-05-01 17:50:14 And NOW she just tells me she messed up and they are in their storage unit and theres no way she can give them to me. Sent to 19142603729 at: 2015-05-04 14:45:12 okay. You just want those two dead ones to be replaced with something that looks as close to similar as possible right? And we don’t care if they end up dying this season correct?

Sent to 17573291146 at: 2015-05-06 17:34:29 So everything is fixed! The remote turns the fire pit on and we ran it for like 45 min! You have to get real close with remote though. I am going to order a new one and the inside part that talks to the remote. For any reason the remote is not working there is a switch on the back side where you change the batteries and you can just turn it on. Hopefully that stuff will come in quickly and I can have it all changed. Let me know if you need anything else at all. We are ridiculous busy but I will make it happen!!!

Sent to 17573291146 at: 2015-05-06 21:59:37 I want to say probably. I am not an expert but will find out for sure for you. It would definitely involve getting a new unit and incorporating into that stone structure. Should not be too hard. I will call the company tomorrow and find out the options and report back to you.
Sent to 13014675585 at: 2015-05-06 21:59:38 Also I pulled trigger on all bridal gifts. Robes are ordered!

Received from 17573291146 at: 2015-05-06 22:00:19 Also if we put real fire wood in the pit and did not turn on gas
Sent to 17573291146 at: 2015-05-06 22:00:27 Would that be problematic you think?
Sent to 13014675585 at: 2015-05-06 22:00:45 Okay cool!
Received from 19142603729 at: 2015-05-06 22:01:11 She likes anything new!
Received from 17573291146 at: 2015-05-06 22:02:44 No, but I would want to bring a steal plate to put down over the burner ring to and then cover it with the rocks. That would keep debris from blocking the gas holes in the fire ring. It would be easily removable.
Received from 17573291146 at: 2015-05-06 22:04:33 Can we do that please? I think a real fire might be preferable for the party
Sent to 17573291146 at: 2015-05-06 22:05:59 Yes. So check on a replacement with high/low feature for future use, and convert it for real wood for the party....correct?
Sent to 17573291146 at: 2015-05-06 22:09:30 Correct. If both could be achieved

before party that would be best. But definitely the latter.
Sent to 17573291146 at: 2015-05-06 22:09:39 I know you're busy
Received from 17573291146 at: 2015-05-06 22:09:56 And thank you for fixing gate and garage. Life changing that I can actually open the gate now
Received from 13014675585 at: 2015-05-06 22:10:32 Btw what are your thoughts on justines proposal
Sent to 17573291146 at: 2015-05-06 22:12:54 Haha! No problem. I can make time for both before the party the only variable will finding a correct fire place with that option and getting it in time. The conversion to wood will be quick and easy. I just have to get the steal, and I want to buy some more lava rock to cover the plate and make it look as nature as possible.
Received from 17573291146 at: 2015-05-06 22:14:21 Perfect!! You're the best!

Received from 13014675585 at: 2015-05-06 23:59:08 Just to be clear we have that violinist joining the trio? So it will be quartet?
Received from 13014675585 at: 2015-05-06 23:59:13 Besides the text which we know about and I sleazy clave
Sent to 13014675585 at: 2015-05-06 23:59:25 No she is part of trip

Sent to 13014675585 at: 2015-05-06 23:59:55 Wait then why are we paying full price for trio AND her
Received from 13014675585 at: 2015-05-07 00:00:11 You are not paying for her for ceremony
Sent to 13014675585 at: 2015-05-07 00:00:21 She is one of the trio members
Received from 13014675585 at: 2015-05-07 00:00:27 And won't she need to leave happy hour early

Received from 13014675585 at: 2015-05-07 00:00:30 Her contract starts at cocktail
Received from 13014675585 at: 2015-05-07 00:00:47 Yes she will leave early
Sent to 13014675585 at: 2015-05-07 00:00:55 But I'm confused. Bc we are paying her for ceremony
Received from 13014675585 at: 2015-05-07 00:01:02 That was an additional 1k
Received from 13014675585 at: 2015-05-07 00:01:33 I remember having this discussion w you specifically Bc the deposit number was higher than I expected and you explained that was why
Sent to 13014675585 at: 2015-05-07 00:02:19 They are throwing her in for ceremony. The extra 1000 was to have her stay with band
Received from 13014675585 at: 2015-05-07 00:02:31 ...
Received from 13014675585 at: 2015-05-07 00:02:34 Remember she was 2500 for just cocktail

Sent to 13014675585 at: 2015-05-07 00:03:12 How are they throwing her in for ceremony if we are paying for a trio and getting a trio
Sent to 13014675585 at: 2015-05-07 00:03:38 Bc she is not a normal member of trio
Received from 13014675585 at: 2015-05-07 00:03:48 She is 2500 an hour
Sent to 13014675585 at: 2015-05-07 00:03:58 But why is that to our advantage to have her in the trio
Received from 13014675585 at: 2015-05-07 00:04:22 I thought the point was to throw her in to make it a quartet
Sent to 13014675585 at: 2015-05-07 00:06:56 We specifically said no quartet due to space limitations
Sent to 13014675585 at: 2015-05-07 00:07:22 So what's in a trio?
Received from 13014675585 at: 2015-05-07 00:07:33 Violin and?

Received from 13014675585 at: 2015-05-07 00:28:56 It is essentially a bunch of extra lighting and a specialized lighting tech
Received from 13014675585 at: 2015-05-07 00:30:32 Will give more lighting control like you are in photo shoot quality

Received from 13014675585 at: 2015-05-07 03:28:41 Btw I just took a closer look and I think Manafort in calligraphy looks really odd on first page. It's the old style of calligraphy and doesn't match the rest of our names at all.
Received from 13014675585 at: 2015-05-07 03:29:04 And Chris is still working on the our thanks portion. Not sure what's the status with that
Sent to 13014675585 at: 2015-05-07 03:30:16 And wouldn't we put string trio? Not the names of the band for the songs...
Received from 13014675585 at: 2015-05-07 03:34:00 And by that I mean the strings trio group name instead of like hall and Oates

Sent to 13014675585 at: 2015-05-07 12:38:07 Chris sent me a revised program, does he still have more revisions?
Received from 13014675585 at: 2015-05-07 12:38:57 As for hall and Oates, you always put the original artist. Never the trio.

Sent to 13014675585 at: 2015-05-07 12:53:57 Like we are using the calligraphy throughout on anything with your initials and name. I think you should be consistent and use the same

Sent to 13014675585 at: 2015-05-07 12:57:43 So it looks weird to have the fancy version of Shand and not of Manafort on the program

Sent to 13014675585 at: 2015-05-07 13:04:01 It looks all consistent and like Manafort is a completely different thing and just pasted in there
Sent to 13014675585 at: 2015-05-07 13:04:16 then we go to font. No time to redo calligraphy and it will cost. these need to be printed

Received from 13014675585 at: 2015-05-07 13:04:58 she did Manafort, you are looking at it

Sent to 13014675585 at: 2015-05-07 13:05:51 Manafort was not on the main invite, we approved the one she did
Received from 13014675585 at: 2015-05-07 13:06:13 I approved Bc I didn't know that there would be a need / use for my name with Manafort
Received from 13014675585 at: 2015-05-07 13:08:20 We are paying her to do a billion hand written belly bands and she can't just do my last name quickly so

that our programs don't look like a cut and paste job? I feel like that is not asking a lot
Received from 13014675585 at: 2015-05-07 13:08:31 These are peoples jobs
Sent to 13014675585 at: 2015-05-07 13:08:38 it is asking a lot
Sent to 13014675585 at: 2015-05-07 13:09:24 she will not do without charging, and we honestly do not have time to start this whole process.
Received from 13014675585 at: 2015-05-07 13:09:42 This is just really unacceptable to me
Sent to 13014675585 at: 2015-05-07 13:09:56 These programs cost a fortune. The calligraphy costs a fortune

Received from 13014675585 at: 2015-05-07 13:10:33 And now we have a chop shop situation
Received from 13014675585 at: 2015-05-07 13:10:38 she did your last name, you were not kept in the dark
Sent to 13014675585 at: 2015-05-07 13:10:53 I have a call that I am 10 minutes late for, I will call her after
Sent to 13014675585 at: 2015-05-07 13:11:25 I was not told it would be paired w the fancy version we slaved over. If so I absolutely would have said please do a different version of Manafort just like we did with Shand
Sent to 13014675585 at: 2015-05-07 13:12:09 Thank you
Sent to 13014675585 at: 2015-05-07 13:13:27 You would have been charged then as well. She was well over her max and wanted to charge you double then. I will call her
Sent to 13014675585 at: 2015-05-07 13:16:42 I'm not sure what you mean about over her max. But please let me know what this would cost. I don't see how it could be that huge of an amount seeing as she is about to do over 200 names by hand for the belly bands by hand for us.
Received from 13014675585 at: 2015-05-07 13:16:57 And this is one last name

Received from 17573291146 at: 2015-05-07 13:35:45 Update: So I talked to the fire pit guy this morning. He knows for sure he has something with bigger better flames, he is going to make sure it has a high low feature and get back to me. I was asking him about making it a temporary wood pit and how I was going to do it. He said that was ok, but it needed to be a small fire and needs to be cleared out thoroughly before a gas one is ever turned back on. He told me what some people do is just but a fire pit bowl in it and build the wood fire in it. Then flip it over and use it as a cover when not in use. I think that is a much better idea but obviously yours is what matters. I looked up and send you some pics and you tell me if you think you will like that!
Sent to 17573291146 at: 2015-05-07 13:36:11
Received from 17573291146 at: 2015-05-07 13:37:16 It would be a very small fire

Received from 17573291146 at: 2015-05-07 13:37:45 But I'm open to whatever
Received from 17573291146 at: 2015-05-07 13:38:07 I just think what you sent is too big and encumbering for what we are after

Received from 13014675585 at: 2015-05-07 13:42:56 Okay.
Received from 13014675585 at: 2015-05-07 13:43:36 As long as she understands what it should look like. Bc she is basically incentivized to keep doing it over and over
Sent to 13014675585 at: 2015-05-07 13:45:26 I think it would make the most sense her for to provide 2 different options initially (for expediency)
Received from 17573291146 at: 2015-05-07 13:46:18 Keep in mind, we are only using the bowl part, not the legs. If you want picked one and then did not like it we could go back to my plate method at anytime.
Received from 13014675585 at: 2015-05-07 13:46:26 Plus that's how all the other rounds went down (usually with 3 versions)
Sent to 17573291146 at: 2015-05-07 13:46:48 I wonder
Sent to 17573291146 at: 2015-05-07 13:46:58 How would that bowl like sit in the pit
Sent to 17573291146 at: 2015-05-07 13:47:15 That's my only concern
Sent to 17573291146 at: 2015-05-07 13:49:42 We would make like a bed for it to sit on securely out of the stones. You would not see any of the burner elements at all. That was my plan anyways. So it would look like that is how it was made.

But like I said I will do it however you want. I just want to make sure you know all the options!

Sent to 17573291146 at: 2015-05-07 13:54:10 I think it might just look weird if it is perched on top
Sent to 17573291146 at: 2015-05-07 13:55:49 No it would not be flush. You pit is roughly 42" in diameter, and the pits are about 30".

Sent to 17573291146 at: 2015-05-07 13:59:03 That is no problem at all! Small regular fire and everything will be fine. Then when will clean it out really good and all will be fine.

Received from 13014675585 at: 2015-05-09 13:34:11 Do vendors have different rates do non Saturday weddings?
Data Missing 13014675585 at: 2015-05-09 13:34:25 *for non
Data Missing 13014675585 at: 2015-05-09 13:34:38 Venues yes

Sent to 13014675585 at: 2015-05-09 13:35:16 Yes so why do people always say Friday weddings are cheaper?
Sent to 13014675585 at: 2015-05-09 13:35:35 I guess if you do a venue that like provides the catering too?
Sent to 13014675585 at: 2015-05-09 13:35:38 Some lower end vendor might negotiate, but like Justine doesn't care if you get married on a Tuesday
Received from 13014675585 at: 2015-05-09 13:36:00 Yes. Like the four seasons had a Friday package that is like 40% cheaper

Received from 13014675585 at: 2015-05-09 13:39:26 But her fiancé's sister vetoed it
Received from 13014675585 at: 2015-05-09 13:39:49 Like my husband'd best friend got married last year and had a super small ceremony and then did a dinner at Ruth Chris in Annapolis for like 50 people. It was perfect bc they didn't have money. They spent under 8k and everyone had a blast
Sent to 13014675585 at: 2015-05-09 13:39:54 And said December was the soonest she could do. And there were no Saturday's available in dec so she had to go Friday. A week before Xmas!!!

Sent to 17034991766 at: 2015-05-12 12:36:33 And you not have 24 hours to do it after matching
Received from 17034991766 at: 2015-05-12 12:39:18 Wait that's last sentence didn't make sense

Sent to 13014675585 at: 2015-05-12 17:22:25 I could have killed Chris when he told he had done such a thing
Received from 13014675585 at: 2015-05-12 17:22:42 so then I will email him back that I will take the bar stuff off of the proposal and send him the final revision
Sent to 13014675585 at: 2015-05-12 17:22:59 and then i will ask him if he needs any help regarding beer/wine
Received from 13014675585 at: 2015-05-12 17:23:02 Anyways so what would be helpful is for the number of people we have - a rough suggestion of how much beer and how wine (red/ white) to get so I can share that figure as a baseline for my dad
Sent to 13014675585 at: 2015-05-12 17:23:17 I told him you would send him the baseline estimates.

Sent to 13014675585 at: 2015-05-12 17:23:35 So you can just include that and say as Andrea asked me to provide for your assistance or whatever

Received from 13014675585 at: 2015-05-12 20:09:15 wanted to know where I got mine. I told him 2 drinks for the first hour and 1 per person every hour after that. I also sent 2 beverage calculators
Sent to 13014675585 at: 2015-05-12 20:09:49 I knew he would not know how to handle this
Received from 13014675585 at: 2015-05-12 20:10:06 I based it on everyone being there the full time. I recognize that maybe not everyone will stay the full time, but running out of alcohol is something I would want to avoid
Sent to 13014675585 at: 2015-05-12 20:10:14 Ps I'm slammed at work. I will get

you welcome letter I'm sorry. So many balls in the air
Sent to 13014675585 at: 2015-05-12 20:10:31 I don't know what to do. I hate him
Received from 13014675585 at: 2015-05-12 20:11:18 I feel like for home parties it is always better to have enough. It is not like with catering where it gets wasted. Having left over unopened beer/wine is not a terrible problem to have. Would rather that then run out, but that is just me
Received from 13014675585 at: 2015-05-12 20:11:31 he can take any leftovers to the Hamptons,
Sent to 13014675585 at: 2015-05-12 20:12:49 i guess see what he thinks he wants and we can figure out if we need to protest. I get the vibe he has zero trust/ faith in me, so maybe keep me out of it in his eyes? Not that I dont want to, just feel like he doesn't really want my opinion.
Received from 13014675585 at: 2015-05-12 20:13:22 He doesn't want anyone's opinion
Sent to 13014675585 at: 2015-05-12 20:13:25 He is an asshole
Sent to 13014675585 at: 2015-05-12 20:14:14 hahah, I am not loosing sleep over it. I just think it is almost doing your wedding a disservice if I recommend something, bc he will just automatically discount it
Received from 13014675585 at: 2015-05-12 20:14:28 I know it's so weird
Received from 13014675585 at: 2015-05-12 20:14:54 so now I think he will get less, just because I said to get more. Ha
Received from 13014675585 at: 2015-05-12 20:20:39 I handled.
Sent to 13014675585 at: 2015-05-12 20:20:56 I will have my mom involved now. And I will be invisibly driving the car
Sent to 13014675585 at: 2015-05-12 20:21:20 I would rather get bud light and have a ton of it then Heineken and not enough
Received from 13014675585 at: 2015-05-12 20:21:35 So cost will play a role but I think we can do a nice mix
Sent to 13014675585 at: 2015-05-12 20:21:53 totally
Received from 13014675585 at: 2015-05-12 20:22:32 it is just important to have enough. You may have left overs, but it will not go to waste. Running out of alcohol would be bad
Sent to 17034349280 at: 2015-05-12 20:23:19 hey hey! are you home today? I was thinking I'd come pick up my bike if you're there

Data Missing 13014675585 at: 2015-05-13 16:02:38 I know my dad is a horrible and moral-less human. Total selfish sociopath. I don't ever fool myself or forget. He is a master manipulator
Received from 13014675585 at: 2015-05-13 16:02:55 Ok so I had a dream that your dad spit on me and hit me (ha). If she is anywhere near this wedding I will do anything to keep her away. Even if my dream comes true

Received from 13014675585 at: 2015-05-13 16:05:48 Whatever the case I only raise all this Bc I think people forget how much of a potential monster he is. Bc people don't like to think about how humans are capable of such horribleness. But he is always a risk. And it is best to be aware of the land mine attending the wedding.
Sent to 13014675585 at: 2015-05-13 16:06:12 It won't come to anything like that and trust me rick would bulldoze him. I am going to do everything in my power to make your wedding your dream come true

Sent to 14128413731 at: 2015-05-14 02:30:42 It isn't a reality show, it's reenactments. So like someone anonymously writes in and tells their story and they film it like it's real
Received from 14128413731 at: 2015-05-14 02:30:55 The production value is really good.
Sent to 14128413731 at: 2015-05-14 02:33:09 But are they true stories?

Sent to 14128413731 at: 2015-05-14 02:35:12 So like if I wrote in about my insane family and told one of my many stories, then they would take that story and reenact it with actors who are pretending to be the people in my life/story

Sent to 14128413731 at: 2015-05-14 02:50:05 Why even call it first overtime? Why not indefinite overtime?

Received from 13014675585 at: 2015-05-14 14:07:45 the coordinating of hair/then makeup and getting in dress. Delicate balance

Sent to 13014675585 at: 2015-05-14 14:08:55 for getting in your dress, do you want that to be private or everyone around
Received from 13014675585 at: 2015-05-14 14:09:31 I will obviously get you in it, but we will stage "zipping" pics. Who do you want zipping you, mom?
Sent to 13014675585 at: 2015-05-14 14:10:26 I have to think about that
Received from 13014675585 at: 2015-05-14 14:10:30 Either my mom or Laura
Sent to 13014675585 at: 2015-05-14 14:10:39 ok, bc i like to have that person dressed and ready
Received from 13014675585 at: 2015-05-14 14:10:48 It will be one of them
Received from 13014675585 at: 2015-05-14 14:10:54 bc obviously no one wants to be no makeup in pictures
Received from 13014675585 at: 2015-05-14 14:11:15 I want dress in private and I want a reveal moment kinda
Sent to 13014675585 at: 2015-05-14 14:11:18 just means that mom would need to be ready to go by 2pm
Sent to 13014675585 at: 2015-05-14 14:11:20 Does that make sense
Received from 13014675585 at: 2015-05-14 14:11:24 yes, that is what I like
Sent to 13014675585 at: 2015-05-14 14:11:35 K good I'm glad we are agree

Sent to 13014675585 at: 2015-05-14 14:11:49 No one will complain
Received from 13014675585 at: 2015-05-14 14:12:02 Doesn't everyone have to be ready early so we can do bridal party pics?
Sent to 13014675585 at: 2015-05-14 14:12:08 haha, ok. trust me i hear and see it all.
Received from 13014675585 at: 2015-05-14 14:12:37 you get in dress at 2, girls need to be dressed by 2:30
Sent to 13014675585 at: 2015-05-14 14:12:44 Justine wants some alone time with you
Received from 13014675585 at: 2015-05-14 14:13:26 and to be honest it is better if they are actively doing something (Like getting dressed) or else they try to creep in.
Sent to 13014675585 at: 2015-05-14 14:13:41 Makes sense
Sent to 13014675585 at: 2015-05-14 14:13:50 we have a method based on every bridal party 😊
Received from 13014675585 at: 2015-05-14 14:14:07 And i am correct that you dont want to leave suite until “go time” correct
Received from 13014675585 at: 2015-05-14 14:15:58 Is it OK if groomsmen do some shots around St. Regis before ceremony?
Received from 13014675585 at: 2015-05-14 14:16:46 No I thought bmaids and me were gonna do some shots on the bar on the terrace and stuff before go time
Received from 19142603729 at: 2015-05-14 14:17:38 Chris
Sent to 19142603729 at: 2015-05-14 14:17:42 We have to do tables tonight

Sent to 13014675585 at: 2015-05-14 14:28:50 maybe chris and groomsmen can do 3-3:30 and then go to holding room until ceremony
Sent to 13014675585 at: 2015-05-14 14:38:21 Okay
Received from 13014675585 at: 2015-05-14 14:47:18
Received from 13014675585 at: 2015-05-14 14:47:36 ignore that
Received from 13014675585 at: 2015-05-14 14:48:08 so this is my preference
Received from 13014675585 at: 2015-05-14 14:48:34 I have mom doing makeup last since she doesn’t have to be ready exactly at 2:30
Received from 13014675585 at: 2015-05-14 14:48:53 Those 2 schedules are identical btw
Sent to 13014675585 at: 2015-05-14 14:49:01 but this means she wont be fully dressed for pics
Received from 13014675585 at: 2015-05-14 14:49:12 no the last Ibo time slot changed
Received from 13014675585 at: 2015-05-14 14:49:30 Ah yes. My eye is not so sharp
Received from 13014675585 at: 2015-05-14 14:49:58 The other two people are Jessica and Alyson. I think Jessica will be the least work Bc she wants like super natural eye
Received from 13014675585 at: 2015-05-14 14:50:01 Etc
Sent to 13014675585 at: 2015-05-14 14:50:03 it is just a little funky bc I am giving you 1 hour and 15
Received from 13014675585 at: 2015-05-14 14:50:22 so the timing is a little bit of a juggling
Received from 13014675585 at: 2015-05-14 14:50:27 Got it
Sent to 13014675585 at: 2015-05-14 14:50:56 Have Jessica as "2" and Alyson as "1"
Sent to 13014675585 at: 2015-05-14 14:50:57 ok, so #2 has first makeup appt, which people always complain about, but she gets the last hair
Sent to 13014675585 at: 2015-05-14 14:51:15 ok, will Jessica be downstairs for

bar photos
Received from 13014675585 at: 2015-05-14 14:51:24 I don't know
Received from 13014675585 at: 2015-05-14 14:51:58 ok, well if she is, she will just literally need to put her dress on after hair. is she the type that needs super long to get ready
Sent to 13014675585 at: 2015-05-14 14:52:07 No
Sent to 13014675585 at: 2015-05-14 14:52:06 i mean her hair and makeup will be done
Received from 13014675585 at: 2015-05-14 14:52:18 She takes 10 seconds. She doesn't usually even brush her hair.
Received from 13014675585 at: 2015-05-14 14:52:24 She doesn't own a hair brush
Sent to 13014675585 at: 2015-05-14 14:52:28 ok, if she isn’t downstairs, she can stay with your mom and even get makeup touch up if she wants
Received from 13014675585 at: 2015-05-14 14:52:31 hahha, ok normal
Sent to 13014675585 at: 2015-05-14 14:52:44 That's what I was thinking. Is she can hang w my mom and get touch ups
Received from 13014675585 at: 2015-05-14 14:53:00 I like that, unless she will be offended not getting in pics
Sent to 13014675585 at: 2015-05-14 14:53:07 And so amalia can be last on schedule too Bc she is also "family bmaid" and may not be in downstairs photos
Sent to 13014675585 at: 2015-05-14 14:53:29 I don't think she will. And we can always have her and Aly come down for a few quick shots towards the end
Received from 13014675585 at: 2015-05-14 14:53:43 bridesmaids are so easy because the timing is straightforward
Received from 13014675585 at: 2015-05-14 14:53:49 Okay cool

Received from 13014675585 at: 2015-05-15 14:09:35 So, coffee tables are my pet peeve (but this just could be me). Basically as it stands there will be a table in the back of the Mellon with coffee cups, urns and milk/sugar etc. the table has to be there all night and they bring the urns out after dinner
Sent to 13014675585 at: 2015-05-15 14:09:56 Their names are Mr. And mrs. Rick and Karen Davis

Received from 18034141483 at: 2015-05-15 14:11:18 The first is a good travel purse
Sent to 18034141483 at: 2015-05-15 14:11:24 Bc it's so big

Received from 13014675585 at: 2015-05-15 14:12:45 I am so indifferent on this issue
Sent to 18034141483 at: 2015-05-15 14:12:57 I think the first one may look a little more visually appealing, bc of the tapered?

Sent to 19142603729 at: 2015-05-15 22:02:58 I mean I haven't asked him. But if I do he is going to flip out on me

Received from 19142603729 at: 2015-05-15 22:03:29 He thinks 2 beers and 3 glasses of wine per a person is too much
Sent to 19142603729 at: 2015-05-15 22:03:31 why don’t you just ask him what beer and wine he is getting. Just because you want to make sure you lim sit
Sent to 19142603729 at: 2015-05-15 22:03:35 like it*
Received from 19142603729 at: 2015-05-15 22:03:43 then when he tells you, we can go get more

Sent to 19142603729 at: 2015-05-15 22:03:57 really? Why can’t you pick what you like?
Received from 19142603729 at: 2015-05-15 22:04:08 Because he is an asshole
Received from 19142603729 at: 2015-05-15 22:04:16 Okay, here’s plan B…
Received from 19142603729 at: 2015-05-15 22:05:05 We stock up on things. We hide it and tell one of the caterers. If sit starts running low then they can just go get it. If he asks then we can say, “we were told we were running low so they made a run”

Sent to 19142603729 at: 2015-05-15 22:05:18 don’t make an issue out of it, just be matter of the fact
Sent to 19142603729 at: 2015-05-15 22:05:24 he won’t even notice anyway
Received from 19142603729 at: 2015-05-15 22:05:31 OR
Sent to 19142603729 at: 2015-05-15 22:06:00 we could always say that we bought more alcohol for after the party, and that wasn’t your dad’s responsibility, so IF we run out we can say we dipped into our after party stock
Received from 19142603729 at: 2015-05-15 22:06:04 no way he can argue that!
Received from 19142603729 at: 2015-05-15 22:06:39 I think that last option is the best one.

Received from 13014675585 at: 2015-05-17 02:44:21 i also added a “position at table” column
Sent to 13014675585 at: 2015-05-17 02:44:57 this will go clockwise starting with #1 at the top
Received from 13014675585 at: 2015-05-17 02:47:51 yea i think i need to see a full floor plan to understand the seating spots
Received from 13014675585 at: 2015-05-17 02:47:57 i know who sits next to who
Sent to 13014675585 at: 2015-05-17 02:48:09 but there are certain people we want like next to each other sort of but at different tables
Sent to 13014675585 at: 2015-05-17 02:49:32 yeah, that will be determined by table #. Which is when we plot/assign the current letters (A,B,C). table Position is like Mike, Susie, Sally, John, Jen, etc
Received from 13014675585 at: 2015-05-17 02:50:04 okay so right now all i am putting in is table letter
Received from 13014675585 at: 2015-05-17 02:50:06 cool?
Sent to 13014675585 at: 2015-05-17 02:50:26 yes
Sent to 13014675585 at: 2015-05-17 02:50:51 and i can send you which tables are square and which are smaller rounds (so smaller centerpieces i assume)
Sent to 13014675585 at: 2015-05-17 02:50:58 it works out to 8, 8, 8
Received from 13014675585 at: 2015-05-17 02:51:50 yes, but it could ultimately changed based on room layout. Rick will decide which tables are what, and then

you can say I want these people here, etc.
Sent to 13014675585 at: 2015-05-17 02:52:03 okay
Sent to 13014675585 at: 2015-05-17 02:52:39 bc i know you will want certain tables near each other, and so in that case it is more about position and which “look” Rick has already assigned to that position
Received from 13014675585 at: 2015-05-17 02:56:05 yea i hear you but i don’t think its gonna be a problem
Sent to 13014675585 at: 2015-05-17 02:56:12 i am pleased with the variety
Sent to 13014675585 at: 2015-05-17 02:56:15 no, definitely not a problem
Received from 13014675585 at: 2015-05-17 02:56:16 but we can cross that bridge
Sent to 13014675585 at: 2015-05-17 02:56:28 assigning them is usually like 10 minutes max
Received from 13014675585 at: 2015-05-17 02:57:11 just wanted to let you know that if you wanted two groups of 8 near each other it might not necessarily be 2 of the smaller centerpieces, etc.

Received from 13014675585 at: 2015-05-17 03:04:30 also for the squares - often they are the tables with 9 people, but there is one that is 10 with two singles that i want to sit next to each other
Received from 13014675585 at: 2015-05-17 03:04:42 is that a problem? Bc then it will:

Received from 13014675585 at: 2015-05-19 16:22:06 None of these inexpensive poppers are going to do the trick bc they only go about 1-2ft. I think we buy the cheapest ones for guest to feel involved, but have the lighting company put 2 cannons out on the street, so that you will get the effect. I can coordinate the cannons to go off when I tell the guests

Sent to 17038995561 at: 2015-05-20 12:13:53 I have no invite
Sent to 13014675585 at: 2015-05-20 12:26:13 I guess I just want to be clear that I really appreciate all that carine has does. But I mean what inbal's people did was abhorrent. They had no ownership of that dress and completely mismanaged the entire project. I mean the original top and its poor quality is evidence of that. There's no reason that we should have even had to point that out to them. To convince me into an expensive custom dress and then deliver a piece of crap and then say oh shit now you are under the wire AND we think the original design we told you would look good we now don't think will look good -- is emotional blackmail. And I'm happy to tell the story and show pics to bridal magazines as well as a beware of custom dresses warning tale. I'm just furious.
Sent to 13014675585 at: 2015-05-20 12:27:16 There's just no logical way they can think they deserve that fee after what took place. Unless they are have no business ethic.
Sent to 13014675585 at: 2015-05-20 12:30:21 So my issue is they don't care about giving me customer service Bc they don't have a repeat customer base. They have one time clients. So the person who can flex that muscle is carine. But I don't know how much she is willing to do that Bc obvy she has her own interests as

well.

Received from 17036234678 at: 2015-05-20 13:54:02 I can move her and then have two tables of 9 if you think she's better suited at the panuzios old table

Sent to 19142603729 at: 2015-05-20 19:34:21 I told her that
Received from 13014675585 at: 2015-05-20 19:34:21 You actually get to take in the moment and talk, hug etc
Received from 19142603729 at: 2015-05-20 19:34:24 because it would save time
Sent to 13014675585 at: 2015-05-20 19:34:35 Rather than walk down and go straight into ceremonial stuff
Received from 18034141483 at: 2015-05-20 19:34:36 Anyways tho. It will all be great. Everyone just needs to be speedy. And maybe we can really move through pics, and get to Mellon earlier than 615
Sent to 13014675585 at: 2015-05-20 19:34:43 Listen. It will never happen
Sent to 13014675585 at: 2015-05-20 19:34:46 Seriously.
Received from 18034141483 at: 2015-05-20 19:34:47 That's where you can make up some time
Received from 13014675585 at: 2015-05-20 19:34:52 It is chris' number 1
Received from 19142603729 at: 2015-05-20 19:35:00 The monument is right across the street from mellon, So we could do Regis, bus to Monument then walk to Mellon
Received from 13014675585 at: 2015-05-20 19:35:07 Ok, well the cocktail hours are the only photo options
Sent to 19142603729 at: 2015-05-20 19:35:23 It's not across the street
Sent to 19142603729 at: 2015-05-20 19:35:31 There is a giant museum in the way

Sent to 19142603729 at: 2015-05-20 19:41:54 Can we just extend the Happy Hour 15 or 20 mins and make adjustments to the rest of the time line?
Received from 19142603729 at: 2015-05-20 19:42:57 Like push back entering the reception? So we still have a full cocktail hour.
Sent to 19142603729 at: 2015-05-20 19:54:58 I think we would have to push the cocktail hour to 715
Received from 19142603729 at: 2015-05-20 19:55:05 Wedding end at 1115
Sent to 19142603729 at: 2015-05-20 19:55:10 Sort of thing
Sent to 19142603729 at: 2015-05-20 19:55:23 And we need photos to be super efficient. Aka shot list probably
Received from 13014675585 at: 2015-05-20 19:55:44 Okay here is what I am thinking
Received from 13014675585 at: 2015-05-20 19:56:05 1. We need the photo time to be super efficient. Do we have a shot list and plan?
Sent to 13014675585 at: 2015-05-20 19:56:19 2. How long will it take for my hair and bustle?
Sent to 13014675585 at: 2015-05-20 19:57:46 Bc it is mandatory for me to make it to official cocktail hour for one drink. So I want to have a schedule that accommodates that.
Sent to 13014675585 at: 2015-05-20 19:58:00 Hair and bustle will take 20-30

Sent to 18034141483 at: 2015-05-20 19:58:02 I just emailed you my photo timeline
Sent to 18034141483 at: 2015-05-20 19:58:20 Obvy your setup is different, but it really kept things organised
Sent to 13014675585 at: 2015-05-20 19:58:37 Plus you have to take into account that it takes time to move people. Getting in and out of the bus and going to the bathroom
Sent to 18034141483 at: 2015-05-20 19:58:57 So you only had 90 minutes of photos
Sent to 18034141483 at: 2015-05-20 19:59:05 Even w a first look
Received from 13014675585 at: 2015-05-20 19:59:37 I understand that.

Received from 13014675585 at: 2015-05-20 19:59:57 But I feel like I want to see a timeline for photography hours
Received from 18034141483 at: 2015-05-20 20:00:01 And I didn't feel rushed
Sent to 18034141483 at: Data Missing Interesting.
Received from 18034141483 at: 2015-05-20 20:00:21 Bc we have 30 minutes before ceremony
Sent to 18034141483 at: 2015-05-20 20:00:42 So perhaps 90 minutes w travel is realistic
Received from 18034141483 at: 2015-05-20 20:01:33 I think so.
Data Missing 18034141483 at: Data Missing Write it out
Sent to 13014675585 at: 2015-05-20 20:02:19 Bc my current suggestion would be if we arrive at Mekong at 615. And I am bustled and hair done at 645. Then I would want cocktail to go until 715 (ushering at like 705)
Sent to 13014675585 at: 2015-05-20 20:02:33 And reception to end at 11:15
Received from 13014675585 at: 2015-05-20 20:03:13 But maybe if we get to Mellon at 6pm, nothing has to be moved.
Data Missing 18034141483 at: 2015-05-20 20:03:29 I'm having Jen do that
Data Missing 18034141483 at: 2015-05-20 20:03:38 She thinks bustle and hair going to take 20-30 mins
Received from 18034141483 at: 2015-05-20 20:04:11 Push back dinner till 715. Give yourself from 645-715 to enjoy yourself
Sent to 18034141483 at: 2015-05-20 20:04:24 So if we arrive at Mellon at 6. Then I will have 20-30 minutes before ushering from cocktail hour to dinner starts
Sent to 18034141483 at: 2015-05-20 20:04:45 But if we arrive at 615, we need cocktail to go until 715
Sent to 18034141483 at: 2015-05-20 20:04:58 Yea I agree. Find 15 mins somewhere
Sent to 19142603729 at: 2015-05-20 20:05:15 Completely agree. And I will even go as far to tell the guys not to fuck around with pictures cause we want to get to food and booze asap.

Received from 18034141483 at: 2015-05-20 20:06:21 I hate this. I could have used that 30 minutes she cut out
Received from 19142603729 at: 2015-05-20 20:06:26 Definitely.
Sent to 19142603729 at: 2015-05-20 20:06:32 I'm pissed at Jen

Data Missing 19142603729 at: 2015-05-20 20:10:07 You were very clear that you wanted to be a part of the cocktail hour and her timeline doesnt reflect that so simply put, its on her to fix it since she. Nixed it.

Sent to 17034991766 at: 2015-05-20 20:11:27 I'm trying to make it work
Received from 17034991766 at: 2015-05-20 20:12:01 There will still be plenty of time to enjoy everything I'm sure
Sent to 19142603729 at: 2015-05-20 20:12:06 "Ok, well the cocktail hours are the only photo options"

Sent to 19142603729 at: 2015-05-20 20:20:18 I dont see how thats an issue. If the cocktail hour has a hard start at 715 then she can address transportation time in getting people there at 715. Not to mention why did she not already address that issue. So what, she figured people would be late to the cocktail hour and then it would essentially be 45mins.
Received from 19142603729 at: 2015-05-20 20:20:42 All this adds up to the fact that an hour and a half was the right call.
Sent to 19142603729 at: 2015-05-20 20:21:17 I'm just getting upset Bc I don't feel like she is listening to me
Received from 19142603729 at: 2015-05-20 20:21:33 And 15 minutes means a huge difference to me and a guest won't even notice
Sent to 19142603729 at: 2015-05-20 20:22:24 I hate to say it but have you tried the tactic of "this is what I want, make it happen"
Sent to 13014675585 at: 2015-05-20 20:24:03 Anything is doable. We can just cut the photo session when we want it

Received from 19178211113 at: 2015-06-29 15:58:03 Like dad can't just expect rehab alone to be a reset button and we all just resume our roles now that he's out. That's the same insanity that happened the first go around
Received from 19178211113 at: 2015-06-29 15:58:37 I agree but dad also has no idea what he is doing. Which is why he needs to be in an aftercare structure

Received from 19178211113 at: 2015-06-29 16:00:13 I feel like he is acting like a victim
Received from 19178211113 at: 2015-06-29 16:03:32 Listen, i agree with a lot of what you have expressed in terms of not being ready etc. But Dad IS trying, its just that he has decades of habits he is learning to rework, and it takes time and trial
Sent to 19178211113 at: 2015-06-29 16:04:21 And he isnt acting like a victim in my opinion. He is proud of a lot of the breakthrus he had in therapy and he wants to try to build a real relationship with u. And it has to start somewhere, and he excitedly reached out to u first
Received from 19178211113 at: 2015-06-29 16:04:51 He is acting like kind of a

moron in that he hasnt realized that he needs to restructure his life right jow

Sent to 19178211113 at: 2015-06-29 16:47:08 He said I would be happy to hear his story
Received from 19178211113 at: 2015-06-29 16:47:15 That's a delusional thing to say
Received from 19178211113 at: 2015-06-29 16:47:36 And he keeps telling what is good for me and what my feelings are, instead of ASKING
Received from 19178211113 at: 2015-06-29 16:47:57 He just assumes he knows everything. Which is no change at all
Received from 19178211113 at: 2015-06-29 16:54:15 I'm not saying he isn't trying. I believe is. But whether he keeps trying is a question mark for me
Received from 19178211113 at: 2015-06-29 16:54:41 I just think he views rehab as a cure. And is patting himself on the back a bit too much.
Sent to 19178211113 at: 2015-06-29 16:55:32 It's a good first step. But MORE has to be done. And more importantly he has to admit accountability for his horrible behavior. I don't want to hear him blame "an addiction"
Sent to 19178211113 at: 2015-06-29 16:56:34 He isnt saying it was an addiction

Sent to 19178211113 at: 2015-06-30 10:47:33 Ive thot about it long and hard. I have been with mom a lot lately. I need you to trust me that she isnt doing well right now, more so about grandma even than dad. And i dont feel comfortable pulling out on her at this time. I cant do it. Even tho I 100% disagree with having a "fake" weekend and think it's a poor decision on Dad and her part, i feel more strongly about not causing another blow for mom by removing myself and Baylor from her at this time when i know she needs me close by, esp before i go out west. I also plan on using this weekend to have a lot of in person private discussions with mom and dad where i express my feelings about what i am personally looking to see in behavior and pattern changes from them, which will affect my relationship with them moving forward. If you want to join me and come and take part in that, i would love to have you by my side. But i completely respect you not being ready and needing to put your own well being first. That is the right way to take care of yourself. So you dont need to feel guilty or like a pariah. This is a fucked up situation from every angle. And you arent doing anything wrong. I love you
Sent to 19178211113 at: 2015-06-30 11:31:47 I just don't feel united with my sister.

Received from 19178211113 at: 2015-06-30 11:40:23 I don't really believe that. I'm sorry but I think your decision is wrong and is detrimental to the family.

Received from 19178211113 at: 2015-06-30 11:41:41 Then that's her choice. And she doesn't need you
Sent to 19178211113 at: 2015-06-30 11:42:05 I think you are making a choice for yourself more than for them

Sent to 19178211113 at: 2015-07-01 20:46:56 Hey hopefully we can do another session. The last thing i want to do is hurt you. I really care about our relationship. It just doesnt feel right to me to not stay at home right now. And just as i understand and respect that you dont want to, i wish you could do the same about me wanting to. I hope we can find other ways for you to feel supported by me, other than where i sleep this weekend. Bc i want us all to be a family that enjoys each other again so badly
Sent to 19178211113 at: 2015-07-01 22:43:07 I do not feel anyone in the family respects or supports my feelings or my needs. Including you. I feel decisions should be made as a unit or a family or at the very least at the end of an inclusive discussion -- and they are not. Dad being there this weekend should have been a discussion. It was not. It was forced and the product of a unilateral choice, to which we were not involved. The fact that no conversation took place is evidence that this family continues to have poor communication and is self serving. Your acquiescence to this bad behavior endorses it. I feel each person in this family just does what they want irrespective of each others' feelings. There are never compromises. Lines are drawn in the sand and it's a take it or leave it approach. And when there is a negative consequence for an individual's chosen action that results in the hurt of another, words are uttered that have no meaning. Words are not backed up by actions. The only actions that I have seen are ones that are made out of desperation, and therefore they are not part of a pattern of improvement. As such the unhealthy cycle continues where there is no communication and no thought for others. Long term reparations are not prioritized and there is no accountability. I feel the easy route is consistently chosen blindly. Moreover, I do not feel like I am a valued member of the family. I also do not feel like you prioritize our relationship over that of our parents'. I do not feel my emotional needs are considered by the family and therefore I do not have trust in this family, and I personally believe that trust is essential to be a family. As such I am forced into a defensive posture with limited options. Because I do not think anyone else has my best interests as a priority, I am forced to protect myself and my emotional well being. I feel I am low on the list or priorities and that I am expendable. This past week has only made me feel this more strongly.

Sent to 17034991766 at: 2015-07-02 12:55:19 I'm just trying to give you all the information
Sent to 17034991766 at: 2015-07-02 12:56:17 The bull shark is known for its aggressive nature, predilection for warm shallow water, and presence in brackish and freshwater systems including estuaries and rivers.

Received from 17034991766 at: 2015-07-02 12:57:25 Another shooting in the navy yard
Sent to 17034991766 at: 2015-07-02 12:57:27 Bull sharks can thrive in both saltwater and freshwater and can travel far up rivers. They are probably responsible for the majority of near-shore shark attacks, including many bites attributed to other species.

Received from 17034991766 at: 2015-07-02 12:59:14 Shark week consistently names bull sharks the scariest / most dangerous shark
Received from 17034991766 at: 2015-07-02 13:01:25 They hunt in murky waters where it is harder for the prey to see the shark coming. Bull sharks have been known to use the bump-and-bite technique to attack their prey. After the first initial contact the bull shark continues to bite and tackle its prey until they are unable to flee
Sent to 17034991766 at: 2015-07-02 13:01:51 So if you get bumped - you need to get the fuck out of there.
